

The Alley Rundown- February 4th/5th

“Love others because Jesus loves you.”

CG: Brain Games

1. **Connect Game:** Would you Rather? (Movie edition).

There will be a list of would you rather questions relating to movies. Have the kids pick which side they would rather be on. Feel free to ask a few kids why they picked that side.

WORSHIP

2. **Playing Bible Lesson:**

“Hey Parkview kids, how are you doing today. *(Pause)* Awesome, my name is [Host’s name] and I am glad you are here today. We are starting a brand new series called Behind the Scenes. Now, when you hear the words, behind the scenes, what do you typically think of? How movies are made. What are your favorite kinds of movies? Shout it out on the count of three. 1,2,3. *(Pause)* Did I hear someone say romance movies? Yeah, maybe not, but we are looking at love for the month. Now, before you get all grossed out, let’s define love real quick.

“Love is choosing to treat others the way you want to be treated.”

“Most of the time, we think of love as something you feel for someone or something. Like, I love my dog, my parents, or the Chainsmokers. However, love is more than a feeling, it’s an action. You can say you love your dog, but if you never feed him, do you really love then? No, not really. That’s what I mean when I say love.”

“Today’s story is about how Jesus loved other people and also loves you. So find someplace comfortable and check out the video on the screens.”

3. **Ask Relate Questions:**

- What makes getting along with everyone so difficult? (personalities, interests, bullies, and age).

- In our video, Jesus said, “No greater love has no one than this: to lay down one’s life for one’s friends.” What do you think this means? And do you know anyone who has done this? (Jesus).
- What did Jesus do? (ABCs of faith)
- Why does Jesus want us to love others if we love him? (Because we know what God’s love is like).
