

The Alley Rundown- February 11th/12th

“God wants you to comfort others who are hurting.”

- **Worship on the screens**

CG: Behind the scenes

- **Connect Game:** Popcorn toss

You will need a lot of paper for the kids to make popcorn balls. You will also need some masking tape to divide the room in half. Split the kids into two teams. Give each side a minute or two to make as many balls of paper as they can. When you say go, they will throw as many pieces of popcorn to the other side. When you say stop, the round is over, which ever side has more popcorn on their side, loses the round. If any kid throws after you say stop, they lose the round for their team. The team that has won the most rounds wins the game.

Make sure to hold on to the paper for the small group game, “Get It Out.”

- **Playing Bible Lesson:**

“Parkview Kids, how are you doing today? (Pause) Awesome, welcome to the Alley, my name is [Host’s name] and glad you decided to hang out with us. We are in our second week of the series called Behind the Scenes. On the count of three, I want everyone to share their favorite movie. 1,2,3 (pause). Awesome. This month, we are looking at this idea called Love. Hold on now, before you think I am talking about romance movies, lets look at the definition of Love.”

“Love is treating others the way you want to be treated.”

“When I think of love, I think of my friends. I treat my friends with respect because I want them to treat me with respect. Love isn’t just a feeling, it’s an action. I choose to respect my friends and I also choose to act lovingly towards other people.

“Today we are continuing to look at the life of Jesus. Now, Jesus has just called his first few disciples. Disciples are kind of like adult students. They would follow Jesus everywhere and He taught them about God. In today’s video something happens that was kind of unexpected. So face towards the screen and check out our video.

252 Story Week 2

- **Ask Relate Questions:**
- What is the biggest storm you have ever seen?

- Do you think the disciples knew that a storm was coming when they got in the boat? Would you have gotten in the boat?
- Jesus calmed the storm and helped his friends that were worried about the storm. How has Jesus helped you when you were hurt? What can we do to help other people who are hurting?
