

The Alley Rundown- February 18th/19th

“God wants me to give to others who are in need.”

CG: Behind the Scenes

1. **Connect Game:** Oven mitt challenge.

Have the kids split up into boys against girls. Pick 3 from each team to come to the “stage” to play the game. Each team will have 2 pair of oven mitts, a stack of red solo cups, and a Nerf Gun. Two kids from each team will put on the oven mitts and try to stack a tower of cups. One kid from each team gets a Nerf gun with only 6 bullets and will stand at a good distance and try to shoot down their opponent’s cup stack before they finish (they cannot reload bullets). The first team to build the tower with all their cups wins.

3. **Playing Bible Lesson:**

“Hey Parkview kids, welcome to the Alley. My name is [host’s name] and I am glad you decided to join us today. We are continuing our series called Behind the Scenes. It’s all about movies. On the count of three, I want everyone to tell me what is the last movie they saw. Ready? 1,2,3. *(Pause)*. Awesome, mine was [movies’ name]. We have been looking at this idea of Love. We have been defining love as “choosing to treat others the way you want to be treated.”

“Love is more than just a feeling, it’s an action. You choose to love someone else by the things you do. If you love someone you show her that you care by doing things for her, treating her with kindness, and respecting her. You would want people to do the same thing for you.”

“We are focusing on how we can give to others. Now there are many different stories about Jesus giving to others and how he wants us as his followers to give to others, but I can’t help but think of today’s story as an awesome example. So face towards the screen and check out today’s video.”

4. **Ask Relate Questions:**

- What is your favorite food? What would you do if you had infinite supplies of this food?
- Why did Jesus feed the 5,000? *(Because they were hungry and he didn’t want them to leave).*
- The Bible teaches us that Jesus wants us to love others by giving to those who are in need. Does anyone have a story about how they helped someone else out who was in need? Or when you helped or served somewhere.
