Key Question/Bottom Line:

*Who teaches you important things?
Jesus teaches me important things!*

Monthly Bible Verse:

"The crowds were amazed at his teaching." Matthew 7:28

Bible Story Intro:

This month we are learning through the stories that Jesus told in the Bible. Once, there was a farmer who had so many crops. He had so many crops that he couldn't even fit them in his barn! Wonder what he did?! Let's check out our Bible story and see!

Ollie Video: Bigger Barns

Bible Story Recap:

Jesus teaches us to share our things! The farmer had so many crops, but instead of sharing, he just built bigger and bigger barns. But Jesus teaches us that we can share our things with others. What can you share friends? Can you share your toys? Yes! Can you share food? Yes! Can you share a smile with a friend? Yes! We can share with others!

Sample Prayer:

*Dear God,
Thank you for this story about the farmer.
Help me to be generous and share with others.
I love you, God.
Amen.*
