"Ok, everyone! I've got a super-cool story about cooperation that comes from one of the very first books of the Bible—the book of Exodus. (*Hold up Bible.*) Before we get into our Bible Story today, I have a question for you that I'd like you all to discuss together in your Groups. Here's the question!"

CG: Question Video ("What's your favorite thing to do with your friends?") (Runtime: 3:00)

"Those all sounded like great answers everyone! Can we be friends? Our story today is about working together with one another. This story took place after God's people, the Israelites, had been in slavery in Egypt for a really long time. God rescued the Israelites from slavery and led them into freedom. The people were headed toward a new land that God had prepared for them.

"The leader of the Israelites was a man named Moses. While the people were in the desert, Moses went on a mountaintop to talk to God.

"God spoke to Moses and said . . .

"You have seen for yourselves what I did to Egypt. You saw how I carried you on the wings of eagles and brought you to myself. Now obey me completely. Keep my covenant. If you do, then out of all the nations you will be my special treasure." Exodus 19:4-5 (NirV)

"I wonder what happened next! Let's take a look at this week's video to find out!"

CG: Lesson Video (Runtime: 6:00)

“When everything was finally in place and the priests were ready, a cloud came and covered the tent. And the glory of God filled it for everyone to see.

“Wow. Can you imagine? That’s amazing! God’s people worked together and accomplished something FAR bigger than anything they could have done alone.

“You and I can do the same thing the Israelites did way back then. We can COOPERATE. We can work together! If we do, we’ll be able to accomplish way more than we ever could on our own.

SLIDE: Bottom Line

[Bottom Line] “God wants us to work together.

“Let’s pray.”

PRAY: “God, thank You for this story of how You helped Moses lead Your people. Thank You for the reminder that You want us to work together! Help us learn to cooperate so we can help others and show Your love everywhere we go. We love You, and we pray these things in Jesus’ name. Amen.”

“What an amazing example of cooperation! I mean, the tent that the Israelites built was a lot bigger than something you’d take on a camping trip. Their tent was a very special and important place where people could gather to honor God. But the point is, everyone worked together to build it!

“The people followed God’s instructions. And because they WORKED together, they had a special place where they could worship God together. They needed lots of people with lots of different skills and talents. They needed people who could build and people who could sew. They needed people who could decorate and people who could teach other people how to do all of those things. In the end, the Israelites were able to complete this big job because everyone came together to do it. Let’s learn our Bottom Line for today . . .

SLIDE: Bottom Line

[Bottom Line] “God wants us to work together.

“I mean, think about Jesus. Jesus is God’s Son, but even He chose to cooperate with other people. He chose to work together with a group of twelve disciples as he traveled around and taught people about God.

“We all have things we’re good at—and when we work together, we can accomplish big things! We can do way more with each other than we could ever do on our own.”
