CG: MOHI Pictures

Isn't it so awesome that you have helped (your Campus child) to learn more about Jesus by praying for them, writing to them, and bringing your offering all these years? Today we are going to have some fun celebrating (your Campus child). Before we leave today, you will all be able to write a congratulations postcard to (your Campus child) as well as pray for God to continue to use them in BIG ways!”

“If you're unfamiliar with what Missions of Hope International, in Kenya where (your Campus Child) will be graduating from, here's a short clip of what MOHI is all about! Check it out!”

CG: MOHI “Who We Are” Video (Runtime: 3:00)

“So awesome! You get to be a part of all of those amazing things you saw on that video. And you made an impact on (your Campus Child's) life! As we celebrate how they stayed focused on Jesus and will soon graduate, today we also celebrate how you have stayed focused. Our hope is that you will continue to stay focused on Jesus for the rest of your life!

“If you're anything like me, you might think to yourself, what does that mean? How can I focus on Jesus when I can't see Him? How can I give all my cares and concerns to God when I don't always feel that God is with me? How can I trust God to help me through difficult situations when I can't see God?

“Those are important questions to think about! And you know what? In our Bible focus for today, we can discover some great ways to focus on Jesus and put our trust in God. Let's head there now with the help of this week's video.”

CG: Lesson Video (Runtime: 7:00)

“Following Jesus is like running in a race! The goal is to obey God, love God, and love others. We can win the race when we remember how Jesus kept going!”

“As we wrap up our time together today, think about this one question:

SLIDE: Key Question

“What can help you focus on Jesus? Is there something or somebody who can help you focus on the most important thing, Jesus? Just think about *(your Campus child)*. It’s so cool to know that each and every one of you helped them to focus on Jesus all these years! You helped them run their race! Each week when you brought your offering, you were able to make sure that they had what they needed to keep learning about Jesus and go to school at Missions of Hope International in Kenya. Let’s pray.”

Lead group in a prayer related to what they just heard. After prayer, play Intro Video to MOHI Graduation Activities.
