

City SG—May 29th, 2022 (MOHI Graduation)

NOTE: Activities will be explained and demonstrated in a Video during Large Group

1. KORA (Kenyan Schoolyard Game described in Video)

What You Need: 2 Bins of Beans and 2 Earth Balls per group

What You Do: You will play the game as shown on LG video.
You can have kids play one at a time or have 2 kids play at the same time.

Play as many rounds as time and interest allows.

2. Kenyan Flag Bracelets

What You Need: Beads (Red, Green, White, and Black- 2 of each per kid), Bracelet Cord (1 per Kid), Clear Bead (1 per kid)

What You Do:

- Allow kids to make bracelets resembling the picture below. Help when necessary.
- Encourage kids to wear their bracelets as a reminder to keep praying for (your Campus Child).

Pass out supplies and have kids string beads as shown.

Help kids knot the ends near the beads to keep them in the center of the bracelet. **This is the hardest part** – keep the knot loose in case you have to reposition. You want the beads to be centered so the cord is even on both sides. Then tighten those knots.

Have the kids put both ends into the clear bead.

Help kids tie knots at the **end** of both cords. The clear bead will allow them to tighten the bracelet once it's on their wrist.

3. Postcards for Kenyan Graduates

Non-Reader Option highlighted below

What You Need: Kenyan Postcards (1 per Kid), stickers, markers and Pens

What You Do:

- Have kids write **draw, color, use stickers** congratulation cards to your Campus Child.
- Collect Cards and give them to your Room Coach (to be delivered to your Campus Child this Summer!)
- Pray for you Campus child together that they would keep running the race and stay focused on Jesus, even after their MOHI Graduation.

Close with Prayer:

“Jesus, You love us. Thank You for never giving up on us. Thank You for showing us how to love others and how to show others we love God. Be with (your Campus Child) as they graduate. We’re so excited for them. We love You! Amen!”
